

AUDIOPEAK ELECTRONICS - RETURN & REFUND POLICY

=====

Effective Date: January 1, 2025

Last Updated: October 1, 2025

Published at: audiopeak.com/return-policy

SECTION 1: RETURN WINDOW

All products may be returned within 30 calendar days of the delivery date for a full refund, provided the item is in its original, undamaged packaging with all accessories included.

SECTION 2: PACKAGING REQUIREMENT

Items must be returned in original packaging. Opened items are accepted only if packaging is intact. Returns without original packaging cannot be processed for a full refund.

SECTION 3: DEFECTIVE PRODUCTS

If a product is genuinely defective, customers may request:

- a) Full refund within 30 days of delivery
- b) Replacement product shipped at no charge
- c) Store credit for the purchase price

Defective product returns still require original packaging.

SECTION 4: PRODUCT SPECIFICATIONS DISCLAIMER

All specifications listed on product pages represent performance under standard testing conditions. Battery life estimates are measured at 50% volume with Active Noise Cancellation (ANC) disabled. Actual battery life varies based on volume level, ANC usage, Bluetooth codec, and environmental conditions. With ANC enabled, battery life is typically 40-50% of the rated figure.

SECTION 5: POLICY DISCLOSURE

This return policy is displayed at checkout, included in order confirmation emails, and referenced in delivery confirmation emails. By completing a purchase, the customer acknowledges and agrees to these terms.
